

The Allergan Foundation has awarded a competitive Focus Grant to ASCO to support the “Be a Doctor of Optometry: Put Your Future in Focus” video. The Allergan Foundation joins Luxottica in supporting ASCO’s initiative to promote careers in the optometric profession.

The video, available on the Association’s [YouTube channel](#) and through its [website](#), is the latest career marketing tool developed for the ASCO/American Optometric Association Joint Project of Further Developing a Robust, Diverse, and Highly Qualified National Applicant Pool. The video complements the [True Stories](#) booklet and other information and resources at the [ASCO website](#).
