

Eye Care Software & Business Services

Rev360 Announces Growing OD Leadership Team

Rev360, the eye care software and business solutions company that serves practices on RevolutionEHR, announces a growing leadership team of seven Doctors of Optometry. Each member of the OD leadership team offers a deep level of unique optometric expertise coupled with years of practice management experience operating their own businesses – all on the RevolutionEHR software platform.

Meet the Team

Scott Jens, OD, CEO

Mike Rothschild, OD, Director of Practice Management Initiatives

Brett Paepke, OD, Director of ECP Services

Kelly Kerksick, OD, Director of Professional Relations

Ann Hoscheit, OD, Director of ECP Strategy

Todd Zarwell, OD, Director of Practice-Facing Technologies

Ali Khoshnevis, OD, Manager of Consumer-Facing Technologies

The Rev360 OD Leaders spearhead Rev360's innovation efforts, work to advance the RevolutionEHR software, and deliver ECP business solutions to customers. [Learn more about the Rev360 OD Leadership Team.](#)
