2015-2016 Faculty Data Report Released

ASCO’s recently released its Academic Year 2015-2016 Annual Faculty Data Report. The total number of 1.0 FTE faculty at the 21 member institutions enrolling students during 2015-2016 increased 0.6% compared with the previous year, from 712 to 716. In addition, 46.4% of 1.0 FTE faculty members are male and 53.6% are female. The number of male 1.0 FTE faculty members decreased 1.8%, and the number of 1.0 FTE female faculty members increased 2.7%. The report was made available to the deans and presidents of ASCO’s member schools and colleges in November 2016.

More information, including ethnicity by academic rank and gender, degrees earned by academic rank and gender, recruitment sources, and percentage of full-time salary contributed for a standard employee benefits package, can be found here.
