Applicant, Entering Class, Post-Graduate Data Available Online

ASCO's "Profile of Applicants to OD Degree Programs for Fall 2016 Entering Class" is now available on the Association's website. This report lists the numbers of male and female applicants, the numbers of applicants who were in-state, out-of-state or from a foreign country, applicants' average GPA and average Optometry Admission Test score, as well as other data. "Profile of the 2016 Optometry Entering Class" provides similar information and can be accessed by clicking here. Also available at the ASCO website are two reports on graduate (non-OD) and other programs for academic year 2016-2017.

Questions about any of these reports should be e-mailed to Joanne Zuckerman, ASCO's Manager of Data Services and Special Programs.
