

LOW VISION EDUCATORS

Met: July 14 - 16, 2018

Chair(s): Rebecca Marinoff (SUNY)

Discussion Topics/Actions: Participants discussed guidelines/competencies related to the low vision clinical experience, the Low Vision iBook, Low vision clubs, and low vision content on the NBEO exam.

Actions: Participants formed a task force to continue working on guidelines/competencies related to the low vision clinical experience; hoping to have the iBook published next year. Participants formed a group to look at best practices for how the SIG's Advanced Competencies can be implemented by residency programs as well as outreach to program supervisors.
