

Marty – Congratulations on your much deserved retirement. You've guided the expansion of ASCO into an organization that serves the changing and diverse interests of talented faculty and member institutions. Thank you for your enthusiastic and skilled leadership in support of optometry and optometric education. I hope to see you in Saint Louis for the 2015 NLCS!

**Larry J. Davis, OD**

**Dean, University of Missouri-Saint Louis College of Optometry**

**Former ASCO President**
