

*You are cordially invited to attend an*  
**Interprofessional Education *Workshop* at the**  
**2018 American Academy of Optometry Annual Meeting**  
*Sponsored by the Association of Schools and Colleges of Optometry*

**Title of the Workshop:**

Toolkits and Resources for Interprofessional Education and Collaborative Practice Initiatives in Optometry

**Date, Time, and Location of the Symposium:**

Friday, November 9, 2018, 2:00 – 3:00 PM

Room 216AB, Henry B. Gonzalez Convention Center, San Antonio Texas

**Workshop Overview / Summary:**

The Agency for Healthcare Research and Quality (AHRQ) defines a toolkit as an action-oriented collection of related information, resources, or tools that together can guide users to develop a plan or organize efforts to follow evidence-based recommendations or meet evidence-based specific practice standards (<https://www.ahrq.gov/>). This Workshop will discuss, illustrate, and provide examples of toolkits and resources to develop, implement, and sustain models of interprofessional education and collaborative practice in optometry.

**Workshop Details / Speakers:**

*Introduction to the Workshop:* Dr. Linda Casser (PCO / Salus), Moderator

- Why IPE and collaborative practice are important to the profession of optometry
- The ASCO IPE video
