Counterculture Of The 1960s Provided Pennsylvania College of Optometry Grad With Some Unique Experiences

When Charles Klein, OD '67, arrived at the Pennsylvania State College of Optometry (PCO) in 1963, the Philadelphia area was becoming a hotbed of political and civil change, with a vibrant emerging folk music scene. While studying at PCO, Dr. Klein had scored a gig writing about the Philadelphia folk music scene for a few folk music magazines at the time.
